I have permission of the parents of those named below to participate in paintball or lazer games. They understand that there are hazards in the woods: fallen trees, sharp objects, trip hazards, holes etc. and that paintballs can sometimes bruise the skin. I, on behalf of the players mentioned below, confirm that Paintball (UK) Ltd, trading as Campaign, shall not be liable for any damage, cost or expenses arising from his/her attendance, except in the respect of death or personal injury resulting from any omission or act of negligence. All participants will be given full instruction on the game & site rules, use of the equipment, and safety procedures. These rules are to ensure safe play and to maximise the enjoyment of all those taking part. I understand that failure to follow these rules may disqualify this individual or their group from continuing to participate in the game. Refunds will not be issued in such instances. I believe the children to be physically fit and able to participate in the games and recognise that the game may require a level of exertion. Please declare to the Game manager any illnesses such as asthma, heart disease etc as these conditions may be aggravated by participation.
